Why I decided to become a donor?

I always wanted to help people, but unfortunately, I didn't know what to do. As a child, I read books about superheroes and fairies who saved the world from evil. I've always wanted to be like them. And if there is a chance, change this world for the better .. at least 1 out of 1000. Then I will try to use it

My most vivid memory from childhood

When I was 6 years old, my uncle took me on a bear hunt. It was very creepy and exciting

Personal motivation (scanned essay sheets)

В жизни видел много людей, бегающих с медалью
с разными "Статушками" и с абсолютно разной
и разной миссией..
Во всех моих знакомых ощущаю одно -
Страх и целеустремленность сделать мир лучше.
Страх и миссия, ведь если мы разделим
в жизни добро и зло, то сделаем один..
Душа свободна, без веры и даже без убийства
абсолютно совершенства.
И даже тогда, если возможность стать
кем-то в жизни, даже при моих миссиях
абсолютно вонзая человек не сдается и
попробуется из-за всех сил вперёд!
Именно это я и хочу в жизни..
