<p>Больше всего в людях я ценю честность. Честность - это самая важная черта характера. Сейчас очень сложно быть честным, приходится врать по пустякам. И поэтому в наше время, честность нежелательная роскошь. Хотя бывает моменты когда лгать необходима. Если хочешь чтоб твои родные не переживали и не беспокоились за тебя. Редко можно встретить абсолютно честного человека. Случайно можно наткнуться на одного. Это не значит, что человек лжет. Просто сейчас очень сложно быть честным, даже с самим собой.</p>
