Personal motivation (scanned essay sheets)

Восхищаясь доктором я стала совершенно слепой,
моя подруга, по совету мамы по
поводу, предложила поучаствовать в программе
донорства, по причине того, что одна не могла
идти. Меня это заинтересовало, перед посещением
клиники, я прочитала разные отзывы, статьи
про донорство и вследствие у меня появилась
любовь в том как работают женщины от бедности
и такие доктори хоть как-то пытаются помочь
им в этом. Меня вдохновила эта любовь и именно
потому я решила что тоже хочу стать доктором,
сможу помочь не только себе в будущем плане, но
и другим тем людям надежда для семьи, которые
идут своей судьбой.
