Personal motivation (scanned essay sheets)

Что значит быть мамой?

Быть мамой для меня в первую очередь означает - нести огромную ответственность за жизнь другого человека. Это нечто большее, чем просто дать жизнь. Мать, в жизни представляешь, должна быть готова на жертвенность, отчаяние, уметь выдержать излом мира, быть терпеливой и понимающей, быть в душе мамой и для себя и для ребенка. Это тотчас, неслыханная любовь. Но самое главное качество - это любовь. На мой взгляд это основа материнства.

Будущим родителям хочется бы понимать гармонию, взаимопонимание, уважение и доброту и счастливой жизни вам и вашим будущим детям!
