Personal motivation (scanned essay sheets)

Что значит быть мамой?
Считаю, что воспитание детей
очень важный момент материнства.
Необходимо подходить к этому вопросу
внимательно, понимать всю серьезность и
ответственность.
Быть мамой - это прекрасно, но нужно
понимать, что ребенок это отдельная личность,
которую родители должны воспитать,
давая любовь, заботу и поддержку, понимая
относиться к ней, особенно в кризисные
моменты развития и формирования
личности.
Ведь, самое главное - воспитать хорошего
человека, доброго, с принципами и
ценностями.
