Why I decided to become a donor?

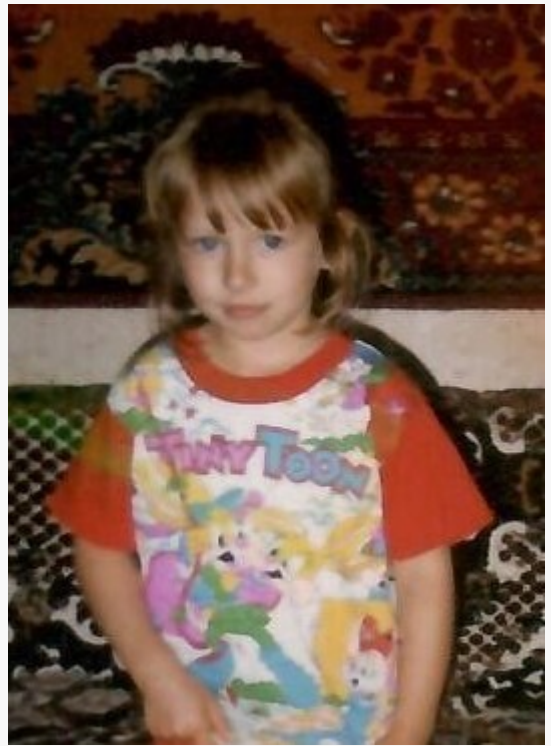

Children are happiness, let the moments of fatigue seem the opposite. Children are an incentive to develop yourself and achieve better results. Children are the best coaches of endurance and self-control. To summarize, I want to help make this world a better place.

My most vivid memory from childhood

New Year's holiday in a large family circle, when Dad suddenly returned from work from another city with a bunch of gifts an hour before the new year. It was a real New Year's miracle, our personal Santa Claus.
