Быть мамой - значит быть самой счастливой женщиной на свете, Мамы - это надёжная опора и защита, любовь и нежность. Быть мамой - значит чувствовать чужую боль как свою, разделять радость его маленьких побед, идти по жизненному пути вместе со своим ребёнком, помогая преодолевать трудности.

Нужно дать малышу совет будущими подвигами - наслаждайтесь! Наслаждайтесь каждым мгновением проведённого рядом со своим малышом. Когда он плачет и капризничает, когда он веселится и радуется, когда познаёт мир и задаёт по 50 вопросов в минуту; даже когда вы устали, а он никак не хочет заснуть и просит в третий раз просыпая спалку. Наслаждайтесь каждым произнесённым им словом «мама»!
