Personal motivation (scanned essay sheets)

Что для меня значит быть мамой

Материнство — это то, о чем я мечтаю больше всего. Быть мамой для меня — это не просто роль, а целый мир заботы и ответственности. Моя мечта — просыпаться с осознанием, что моя задача — заботиться о своем ребенке, поддерживать его и направлять. Быть мамой значит испытывать безусловную любовь, которая наполняет сердце радостью и теплом. Материнство — это не только забота, но и возможность быть примером, который вдохновляет и поддерживает. Миссия о родителстве наполняет мою жизнь смыслом и счастьем.
